Return to: St. Martin's Episcopal Church, 1333 Jamestown Rd., Wmsbg 23185

**Let's work together to care for creation!**  
**It's time to register for ReNew: The Green VBS!**

ReNew Vacation Bible School invites kids to learn about Jesus, to feed others (individually, locally, regionally and globally) to build a community of caring, and to grow as stewards of God's creation. We will do all this during the first week of August 2010 (2nd thru 6th) by

- ⇒ Exploring God's word through Jesus' Parable of the Sower
- ⇒ Learning about God's creation and what we can do to care for it.
- ⇒ Meeting members of our community who feed others and demonstrate good environmental stewardship
- ⇒ Actively preparing snacks for local and regional feeding programs
- ⇒ Asking our parents, parishioners and guests to participate in the Stop Hunger Now global feeding program
- ⇒ Collecting donations of canned and non-perishable foods for local food banks and regional food bank
- ⇒ Planting vegetable seedlings which will grow into pizza toppings that can be transferred to home or community gardens
- ⇒ Recycling just about everything and specifically learning about what can be recycled into compost to complete the food cycle
- ⇒ Making homes for frogs, lady bugs and other creatures helpful to the health of a garden
- ⇒ Using imagination to make new toys and games out of old and used ones
- ⇒ Meeting new friends and having a great time

On the facing page you will find a registration form to fill out so that your "little sower" can grow with the rest of our seedlings. On the back of this brochure, you have an opportunity to volunteer to "work in the garden." We need Landscape Architects to get the site ready (decorate) so our Gardeners can usher our youngsters about the garden. The garden will have people in charge of 6 different plots -Self, Community, World, preschool, Snacks and Games. When we gather at 9am and send home at noon, we will need musicians and song leaders, story tellers and mission oriented folk to engage our youngsters imagination and encourage them to think of ways to feed others, build a community of caring and to grow as stewards of God's creation.
