Manna Bag Service Project

A manna bag is a ziplock bag containing food which can be opened and eaten without having to have a can opener, a drink, clean socks, etc. Families can give their child(ren) something to bring in each day to be put in the wagon during Morning Prayer. They are good to keep in your car for when you see any homeless folks asking for help.

On the facing page you will find a registration form to fill out so that your own child(ren) can experience giving & receiving God's Great Love. On the back of the VBS participant registration, you have an opportunity to volunteer your time and/or skills for Vacation Bible School. Whatever your gifts, we would welcome your offer of them. Before the beginning of VBS, we need folks who love to decorate to make the VBS facility a "Welcoming" place for our participants. Between the start at 9am and the ending at noon each day we will need crafty types, people who enjoy playing, and mission-oriented folk to engage our youngsters imagination and encourage them to think of ways to build a community of caring especially around the needs of many in our community. All of this takes energy, and so we also need those who love to feed others healthy, energizing snacks. Please take a look at the back of the registration form and see if there is something you would like to do to help make this a successful Vacation Bible School.
