Please complete this form to indicate those ministries you wish to volunteer for this year, even if you have completed a form last year. Some ministries may not yet be active, and some new ones have been added. The Ministry leaders will contact you to see when you are ready to serve. Your input is important so we can maintain current and up to date records. The Ministry Guide describing all the various Ministries is on our website under Stewardship (located under the Give tab). If there is a ministry you are interested in and it is not listed, please feel free to write it in the box for Recommendations.
